

Finca Allende, Aurus 2010 98 **2**

£144 Hedonism

The grapes for Aurus come from vines that are at least 60 years old, picked as late as 11 November in 2010. It's a very cool, north-facing site and that's reflected in the wine. Thick, dense and backward with a bloody note from ferrous red soils, some chalky acidity, serious, ageworthy tannins and intense, aromatic fruit. **TA Drink** 2018-2030

Alc 14%
